

Lessons and instruments are often out of financial reach of the families of these talented kids. **You can help by sponsoring an instrument.** Your financial support ensures that these children have the resources they need to continue their studies.

It's more than just an instrument

Since 2008, The Red Violin program has provided string instruments to students in the Dallas Symphony's Young Strings Program.

Young Strings discovers, develops, and promotes the musical talents of outstanding African American and Latino string students in Dallas by offering professional mentoring and career guidance, and providing access to instruments.

The Red Violin Program

These programs dramatically alter the lives of these talented kids. Young Strings provides students with the skills, lessons, opportunities, and resources essential for success in college and careers in music.

The Red Violin is a program of the Innovators of the Dallas Symphony League. Since 1973, the Innovators have sponsored cultural events and worked to promote the numerous education and community outreach programs of the Dallas Symphony.

Instruments range from the 1/4 Size (for beginning students) to fine instruments appropriate for the college level. Sponsorship is for two years.

Sponsor benefits include a listing in *Pulse*, naming rights to the violin, a biennial report, a biography of the student, and a history of the violin. You'll also receive invitations to selected concerts and receptions where the instrument is being played.

Have you thought about...

- Corporate sponsorships
- Memorial gifts
- Estate giving

Your tax-deductible gift is an investment in a child's future!
